ELECTION

Dear Sir:

In response to the Examiner's Action dated April 10, 2003, please enter the following election.

Claims 1-29 were restricted as claiming two distinct inventions, namely Group I, claims 1-15, drawn to a method of providing a comparative listing of providers of an item; and Group II, claims 16-29, drawn to a system for providing a comparative listing of providers of an item over a communication link by a host provider.

Applicants elect to continue prosecution of Group I, claims 1-15 in the patent application. Applicants' election is made without prejudice.

The foregoing election does not result in a change of inventorship. Therefore, Applicants respectfully request entry of the election and a favorable allowance of the pending claims is earnestly solicited.

Respectfully submitted,
